STUDENT VISITORS (4.16)

The board strongly believes that the purpose of school is for learning. Social visitors, generally, disrupt the classroom and interfere with learning that should be taking place. Therefore, non-adult visitors are not permitted to enter the classrooms of West Fork Schools while classes are in session nor to loiter on the school campus. West Fork students should not bring non-adult visitors to school with them. Any visitation to the classroom shall be allowed only with the permission of the school principal and all visitors must first register at the office.
