

ABSENCES

If your child is absent, please notify the office on the day of the absence, and send a note stating such absence the day they return. The school will use the Blackboard Connect system to call all student's parents that are marked absent each morning. District Policy 4.7WF - ABSENCES can be found in its entirety in Section II of this handbook.

If your child gets sick during the school day the nurse will call a parent to pick up. Please make every effort to pick your child up as quickly as possible. Leaving a child in the nurse office for an extended amount of time exposes more staff and students to the illness.
