CAMPUS VISITORS

Parents/Guardians are always welcome at our school and every effort will be made to satisfy their needs. However, it is essential that visitations do not disrupt the educational process at West Fork Elementary School. A parent or an adult visitor must check in at the principal's office and request permission before they are allowed to visit the elementary school. A valid ID will be required to enter the building. (See District Policy 4.16) The visitor will receive a visitor sticker to proceed into the building.
