WFES EXPECTATIONS FOR STUDENT BEHAVIOR

All West Fork Elementary School students are expected to:

1. Show respect and consideration for yourself and others,
2. Listen and follow the directions of all adults,
3. Respect all school and personal property,
4. Focus on learning and strive to do their best work, and
5. Work together to make WFES an exciting, fun place for learning.

Each teacher is able to establish the rules and procedures for his or her classroom. Students are expected to observe those rules and to respond promptly to the direction of your teacher.

The building administrator reserves the right to provide consequences for any inappropriate behavior not covered in preceding paragraphs. Expectations for student behavior will be clearly defined by the teachers in both the classrooms and in all common areas. Behavior that disrupts the learning process and/or does not support and benefit the overall school program and goals will not be tolerated.
