

# CAMPUS DELIVERIES

In order to ensure a positive, safe, and orderly learning environment, all deliveries to students must be made through the front office.

- Lunch for students (delivered by parent or third party) must be delivered before the student's lunch time. Food that is delivered to students outside of their designated lunch time will be available for students to pick up during the next transition period.
- Special Occasions and Holidays (Valentines, birthdays, etc): Deliveries must be made to the front office before 2:00 pm. Deliveries will be available for designated pick-up at a predetermined time. There is no guarantee that deliveries made after 2:00 pm will get to the student that day. They will be held in the office for the next day.
- All other deliveries (personal academic/athletic items) will be made available during transition periods.
