

Changing Password for TAC, eSchool, etc

Two times each year the state (ADE/DESE) asks all users to change their SSO password. This is the account that begins with 7208. This includes logins for TAC, eSchool, and several other state portals.

Below is a sample message you will soon receive if you have not already. Watch your email for a message from "ADE District Security" with the subject "State Active Directory Account Confirmation".

Be sure to confirm your account by changing your password before the deadline. This is either the end of February or the end of August. Failure to change your password by the deadline will result in the state removing your account.

// State Active Directory Account Confirmation

(used for State applications such as Child Nutrition, SIS, eFinance, eSchool, etc)

7208XXXXXXXX

Hello

Action Needed:

Please confirm that you are still actively using this account. (see below)

Confirmation Window:

January 1, 2023 through February 28, 2023

At your convenience, anytime during the Confirmation Window, please confirm that you are still actively using this account.

To confirm, set a new password for State Active Directory Account "**7208XXXXXXXX**" at your convenience (before close of business February 28, 2023).

Once a new password is set during the confirmation window, you will not need a change again until notification in July 2023.

Simplified steps:

- If you remember your current password

Visit <https://adam.ade.arkansas.gov/>

Enter your current username and password

- Set a new password
- If you do not remember your current password

Visit <https://adam.ade.arkansas.gov/>

Enter your current username and select “Forgot your password” and follow the steps

*If needed, here are steps with screenshots
